**DIEEC In-Person Event
COVID-19 Guidelines**

Before you enter the event, you must:

- Provide proof of full COVID-19 vaccination. Your final vaccine should have occurred at least 14 days in advance of attending the event. If not vaccinated, participants need a negative PCR coronavirus test taken within 72 hours of the event. Please note that "at home tests" will not be accepted.
- Both paper and electronic versions of vaccination records and test results are accepted. You need to show valid identification matching the vaccination card/test results
- Complete the [UD Daily Health Check](#) and show the green check display reflecting health clearance.

During the event, you must:

- Wear a face covering.
- Practice social distancing - (three feet of space between you and other participants).

We will provide breaks to help make the time more manageable.

After the event, please:

- Monitor your health. If you receive a COVID diagnosis within two weeks after the event, be sure to include the DIEEC event for contact tracing.
