3. Make any edits or changes to assure we have the most up-to-date information in our system. Make sure you click **save** at the bottom of the page.

What You Should Know:

1. Your email address is your username.
2. The information you provide on your profile is used to contact you for emergency situations (i.e. training cancellations or location changes), to notify you if you have won a drawing or a raffle, or if there is an issue with your registration for a training. We will not spam your inbox or send unwanted messages. However if you do not provide up-to-date contact information, you may miss out on valuable messages from the Professional Development staff.
3. We will only release login information to the designated user. Be sure to keep track of your username (email address) and password. Our system is case sensitive.
